Progress Report

Name: vaibhav gowda

Course: MATLAB for Data Processing and Visualization

Progress: **100%** complete (as of 22 May 2023)

Chapters

1. Getting Started   **100%**
2. Graphics Functions   **100%**
3. Customizing Graphics Objects   **100%**
4. Defining Categories of Data   **100%**
5. Analyzing Groups within Data   **100%**
6. Importing Data from Multiple Files   **100%**
7. Review Project   **100%**
8. Images and 3-D Surface Plots   **100%**
9. Importing Unstructured Data   **100%**
10. Conclusion   **100%**
